# About You Can Home Medical

**You Can Home Medical** was founded in 1994; the Broadbent family acquired it in 2020 and quickly grew from 1 to 4 stores leading the industry in the front range. We are locally owned and operated. We believe in meeting the highest quality of care when dealing with our customer's health. Our Google reviews speak for themselves. You Can Home Medical has over **1,000 reviews with a 4.8-star rating**, we will do everything possible to bring wellness to your home.

If you're like most of our customers, you probably don't wake up wanting to come to a home medical store. We understand. Our team is committed to understanding your concerns, creating a custom solution, and getting you what you need so you can have the health and wellness you want. We are committed to respecting your time and providing the best product and service you deserve.

## Why Choose Us

### **4.8 Google Rating**

Our real customer experiences speak for themselves. We lead in reviews among all home medical supply companies in the state of Colorado.

### **Largest Inventory in Colorado**

Not only do we carry the highest quality products, we also have the largest inventory in stock. Also, if don't have what you need there is a good chance we can get it very quickly.

### **Real Relationships**

We have a highly trained staff - we only hire people who love people. When you call you will speak to a real person, who understands your situation and is trained how to best serve you.

### **Easily Accessible**

Not only are we all across the front range in convenient locations for ease and access. We are open Monday - Saturday with an extensive catalog online. You can text or call us anytime during business hours and receive a prompt response. Coming into our stores will give you peace of mind to touch and feel your products before purchase.

### **We accept insurance! Call us and see if you are in our network.**

# Lift Chairs

**COLORADO'S LARGEST LIFT CHAIR INVENTORY!**

**Lift chair or recliner, what's the difference?** At first glance, they seem the same; however, don't let looks deceive you. Lift chairs include many benefits and features not found in a recliner, making them perfect for recovery, rest, and relaxation. They also increase independence and prevent falls. The adjustable features allow you to change positions quickly and remain comfortable. If you have yet to experience a lift chair's ease and comfort, you must change that today!

PR515 & PR510  
Standard Fabrics:

\*Upcharge applies on Brisa® fabric.

## Hybrid Polyfly Wheelchair

This powerful chair can be used as standard self-propelled wheelchair or a transport chair all in one! Quick-release 24" wheels can be removed to transition self-propelled chair to a transport chair, while the all-aluminum frame keeps it sturdy. Comes with two sets of wheel locks: One for use with wheelchair, one for use with transport chair. Comes standard with swing-away footrests with composite foot plates and heel loops. Find your all-in-one care solution with the Hybrid Polyfly Wheelchair!

**Price: \$591.95 - \$611.95**

**18" Code: TR18  
20" Code: TR20**

**Drive Medical**

### Wheelchairs are GREAT for:

#### Increased Social Life

Don't let mobility stop you from getting out and living your life! With your very own wheelchair, you will have the access and ability to live your life to the fullest.

#### Safety

A reliable wheelchair helps you steer clear of injury and harm. Furthermore, a wheelchair will help lessen pain and increase daily comfort!

#### Navigating an Access-Conscious World

Gone are the days of cities built without accessibility. Now, more than ever, it is easy to get where you need to go in an accessible way!

# Ultra-Lightweight Wheelchair

“Ergonomic” is more than just a buzzword. An ergonomically designed chair is just more comfortable to sit in, and easier to use because everything is exactly where you’d expect to find it. It’s intuitive, and if your needs are long term, that’s pure gold.

## FAQ

### What is a transport chair?

Transport chairs help solve mobility issues without the need to use a traditional wheelchair. Transport chairs are often used by caregivers to transport patients. They are lightweight and easy to collapse.

**Our Elongated Toilet Seat Riser is TOP RATED amongst our customers!**

### Increase your SAFETY

It is proven that implementing bathroom safety products into your home reduces the risk of falls. Ensure that you can take care of your hygiene without risk of injury!

### Increase your COMFORT

Toilet seat risers reduce the amount of space from sit to stand. This ensures an ergonomic transition between sit to stand with more comfort and ease.

### Enhance your LIFE

Increased safety will help ease your symptoms, and ease your mind. You deserve to move around your home with ease and stability, and our bathroom products are here to help.

# HOME SAFETY EVALUATION

## Living Room

- ✓ Is there too much furniture and not enough space to move around?
- ✓ Do throw rugs and electrical cords pose a tripping hazard?
- ✓ Do you have difficulty getting out of a chair or seated position?

## Bathroom

- ✓ Is the tub or shower floor slick or slippery?
- ✓ Do you need help getting in and out of the shower or tub?
- ✓ Do you need help toileting?

## Kitchen

- ✓ Are your pathways in and out of your space obstructed?
- ✓ Are there any hazardous chemicals nearby?
- ✓ Is the floor slippery?

## Outdoors

- ✓ Do you have to step up over a threshold?
- ✓ Are your steps missing proper handrails?
- ✓ Are you struggling to hear your doorbell?

## Bedroom

- ✓ Do you have trouble getting in and out of bed?
- ✓ Is there too much clutter/not enough space to move furniture?
- ✓ Is the path from your bed to the bathroom dark?
- ✓ Is your bed height between 20-23" off the floor?
